

# We want to join you!

**Squirrels**

**BEAVERS**

**cubs**

**SCOUTS**

**EXPLORERS**

The Youth Team wants to come and visit you, when it suits you! Our goal is to visit as many sections as we can across the District!

## What can we offer you?

Have a look through what we can run or provide if we joined your weekly meeting:

- **Share Resources & Information.**

We can chat to your section team members and other adult volunteers about all things YouShape, share resources for good activities and games and more!

- **Discuss and Promote the YouShape Award.**

We would love to talk to your young people and discuss how Scouts is youth shaped, what the YouShape award is and how they can earn it.

- **Run the YouShape Award Central Badge!**

As a part of our visit we can work with your young people for around 15 minutes and enable them to earn the first badge of the YouShape award.

- **Support a Section Youth Forum (Eg: Log Chew, Pack Forum...)**

For every sections Chief Scout Award your young people have to participate in a youth forum of some kind within the section. We'd love to support and assist in these sessions. We would even be happy to host one for you!

- **Play Games and Activities.**

We have various games and activities that we run all the time and love! We would like to join your section and run a game or two, and maybe even support an activity!

- **Join, Observe and Help!**

If you don't want us to do anything specifically, we would still love to come down and support an evening in anyway we can! We hope to get to know our Districts Young People and Adult volunteers better and how we can support both!

## Happy for us to join you?

**Fill out the form on our webpage!**
